

Email From the Chief Editor, the 8th International Conference of EACEF 2022

Dear Distinguished Authors,

In accordance with the IOP publishing process starting this year, we need to migrate our conference reviewing process to their system using Morressier platform. This is a mandatory process that they required for the publication process. The guidelines regarding the user account registration and migration can be accessed through this link:
petra.id/EACEF2022IOP

You need to make a user account in the Morressier system (<https://www.morressier.com/>), and please resubmit your paper(s) in the system.

The conference's call for paper(s) can be accessed through this link:
<https://www.morressier.com/call-for-papers/63342c950345600012b89949>

Please complete the process before 17th October 2022. If you have any question(s) regarding this matter, please contact me. Thank you for your cooperation.

Best Regards,

Antoni, Ph.D.
